

Job Description

Position/Job Title:	Lecturer (Academic) in Adult Nursing
Ref:	563
Location:	Yeovil and Lansdowne Campus, Bournemouth
Faculty:	Faculty of Health, Environment & Medical Sciences
School:	Health and Care
Normal hours per week: 1 FTE or fractional post (some flexibility will be required to ensure that key time scales and deadlines are met).	
Grade:	7
Accountable to:	Head of School

Job Purpose

To integrate education, research, and professional practice in accordance with Bournemouth University's vision and strategic plan. The post holder will deliver high-quality educational experiences and demonstrate good practice as outlined in the Academic Career Framework. They will develop an emerging portfolio of published work and/or discipline-related artefacts and contribute to professional practice within their field at local and regional levels.

The balance of responsibilities may vary from time to time and will be reviewed as part of the appraisal and development process.

Main Responsibilities

- To integrate education, research and professional practice to enhance learning
- To demonstrate emerging evidence of a team-based contribution to education, research and professional practice within the relevant academic team where opportunities allow.
- To contribute to Bournemouth University's vision in accordance with the objectives of the University's Strategic Plan.

Education

- To demonstrate emerging evidence of educational delivery and good practice as defined in the Academic Career Framework.
- To make an emerging contribution, both as an individual and as part of a programme team, to an enhanced student experience through educational enhancement activity as defined in the Academic Career Framework.
- To make an emerging contribution to curriculum innovation and use educational technology actively and effectively as defined in the Academic Career Framework.
- To make an emerging contribution to education within own discipline through both internal and external academic citizenship activities as defined in the Academic Career Framework.

Research

- To develop an emerging body of published work and/or artefacts relevant to own discipline as defined in the Academic Career Framework.
- To develop an emerging track record, relevant to discipline norms, of external RKE bids as defined in the Academic Career Framework.
- To start to contribute to research within own discipline through both internal and external academic citizenship activities as defined in the Academic Career Framework.

Professional Practice

- To make an emerging contribution to professional practice in own discipline at a local/regional level as defined in the Academic Career Framework.
- To disseminate research, academic learning or appropriate critical comment to external stakeholders at a local/regional level as defined in the Academic Career Framework.
- To maintain personal and professional development in line with agreed appraisal and development objectives in order to enhance personal knowledge and contribution to relevant activities.
- To maintain registration as an Adult Nurse on the Nursing and Midwifery Council register and have an enhanced clearance on Disbarring and Banning Service

Information Governance Responsibilities

Comply with the associated data protection, information security, information management and information technology regulations, policies, processes and procedures.

Additional Information

The purpose of the job description is to indicate the general level of responsibility and location of the position. The duties may vary from time to time without changing their general character or level of responsibility.

BU is an equal opportunities employer which values a diverse workforce. The post holder must at all times carry out their responsibilities with due regard to the University's Dignity, Diversity and Equality Policy Statement.

Our highly skilled and creative workforce is comprised of individuals drawn from a broad cross section of the globe, and who reflect a variety of backgrounds, talents, perspectives and experiences to build our global learning community. Through fused activity, the post holder must have an understanding of and commitment to promoting a global outlook.

All employees have an obligation to be aware of and comply with the Universities Sustainability Policy, Carbon Management Plan and associated documents, and to ensure that whilst at work that they demonstrate the adoption of sustainable habits or practices and carry out their day-to-day activities in an environmentally responsible manner.

November 2025
