

Job Description

Post/Job Title:	Practice Education Officer
Ref:	221
Faculty/Support Service:	Faculty of Health & Social Sciences
Location including building:	Bournemouth Gateway Building, Lansdowne Campus
Duration if temporary:	9 months initially
Normal hours per week:	37
(Some flexibility will be required to ensure that key time scales and deadlines are met).	
Grade:	4
Reporting to:	Practice Education Team Leader
Accountable to:	Education Service Manager / Head of Practice Education

Job Purpose

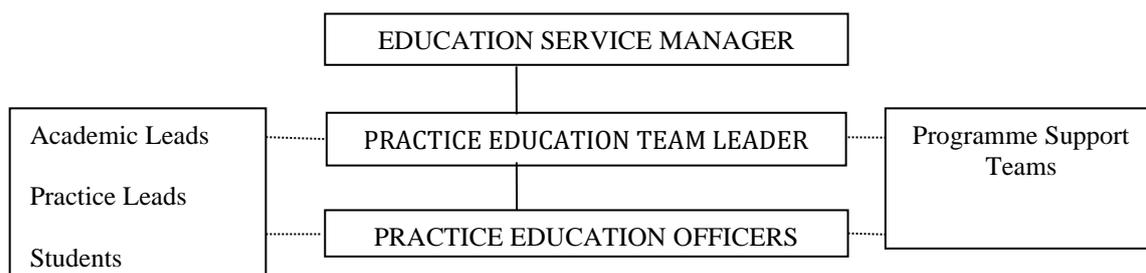

This is an autonomous role and will focus on relationships with placements providers as well as the management of ARC, the placement systems, and of the student experience in respect of HSS professional placements, under the leadership of the Practice Education Team Leader. The postholder will also be responsible for the day-to-day allocation, management and administration of specific professional practice and standard placements ensuring all students meet the training requirements of all HSS programmes in liaison with appropriate academic members of staff. An in-depth knowledge of the validated programme will be required and an ability to manage the complexity of 400+ placement environments per Practice Education Officer within a total portfolio of 3000+ for the team.

Main Responsibilities

1. As part of the Practice Education team undertake the development and proactive management of the student placements system ARC, including Practice Environment Profile (PEP) Placements on the Web (POW) and the OPAL placement portfolio and learning tool.
2. Foster & maintain excellent working relationships with external placement providers to ensure that the Practice Environment Placement information is up to date and accurate. For new placement providers this will entail data collection including by unsupervised external visits to placement organisations where necessary.
3. Ensure all information on the placements system ARC is up to date and accurate.
4. Responsible for the complex daily allocation and organisation of placements, including international opportunities.
5. Prepare complex and detailed administrative information and statistics, creating regular and ad hoc reports as required.

6. To provide the Head of Practice Education (HoPE), Clinical Practice Co-ordinators and University Locality Co-ordinators and Academic members of staff appropriate information in relation to professional and/or other placements.
7. In liaison with the HoPE and Programme Co-ordinators to prepare the placement timetables for students on all HSS UG programmes.
8. Proactively liaise with Programmes Support Officers to establish progression status of students and ensure ARC and the Student Records System is updated to reflect any changes.
9. Attend Programme Team and Framework Management Meetings alongside Programmes Support Officers.
10. Record sickness and monitor absence for students maintaining an accurate record, to be accessed at any time, which shows the most up to date picture for each individual student.
11. Research and answer face-to-face/telephone queries and correspondence from all stakeholders (students, staff and placement providers) of the placements service in relation to ARC, PEP, POW and OPAL
12. Manage requests for log-on and passwords from external and internal stakeholders to the ARC system
13. Liaise with the external supplier of the ARC system around any issues or development of the system under supervision of the Practice Education Team Leader.
14. Develop a knowledge and understanding of programmes to a high level to ensure students undertake the correct number of practice hours and appropriate placement experience for the outcomes of programmes.
15. Review and update knowledge of programme structure, professional body an placement provider requirements.
16. Contribute in the review and implementation of improvement of systems.
17. Provide mentor support to new members of staff regarding the use of the ARC and OPAL systems.
18. Maintain filing and record systems both IT based and manual.
19. Any other appropriate administrative tasks as required in respect of the efficient administration of the Faculty as required by the Education Service Manager

Organisation Chart

Dimensions

Allocation of placement for approximately **400 students**

Contacts

Internal: HSS Programme Support and Academic Staff at all levels
Head of Practice Education
Senior Academic Staff
University Locality Co-ordinators and other Mentors
Staff in other University Faculties

External: All Placement providers (NHS Trust, Primary Care Trusts, Health & Social Care organisations, Private Organisations, Charities), Students, ARC software providers

Challenges

The allocation of all placements is a complex role and the postholder will be required to work closely with Academic Teams and staff specifically aligned to professional programmes and external contacts to ensure that students are allocated appropriate practice placements in order to meet Professional Body requirements.
