Job Purpose

- To contribute to education, partnerships, research, innovation and knowledge exchange activities.
- To demonstrate emerging evidence of educational delivery and good practice.
- To develop an emerging body of work contributing to advancing sport and exercise therapy practice and knowledge.

NB. The balance of responsibilities may vary from time to time and will be reviewed as part of the appraisal and development process.

Main Responsibilities

- To successfully contribute to all elements of the role in a synergistic manner.
- To demonstrate emerging evidence of a team-based contribution to the school.
- To contribute to the school in accordance with the objectives of the University's Strategic Plan.

Education

- To demonstrate emerging evidence of educational delivery and good practice.
- To make an emerging contribution, both as an individual and as part of a programme team, to an enhanced student experience through educational enhancement activity.
- To make an emerging contribution to curriculum innovation and use educational technology actively and effectively.
- To make an emerging contribution to education within own discipline through both internal and external academic citizenship activities.

Research, innovation and/or knowledge exchange

- To develop an emerging body of published work and/or reports relevant to own discipline.
- To develop an emerging track record, relevant to discipline norms, of income generation.
- Where appropriate, aspire to post-graduate supervision.
- To start to contribute to research, innovation and knowledge exchange within own discipline through both internal and external academic citizenship activities.

Professional Practice

- To make an emerging contribution to professional practice in own discipline at a local/regional level through a programme of personal self-development.
- To make an emerging contribution to professional practice in own discipline through engagement and thought leadership with business, industry or professional and governmental bodies at a local/regional level.
- To disseminate research, academic learning or appropriate critical comment to external stakeholders at a local/regional level.

Other in relation to main responsibilities above

- Carry out Faculty administrative duties as required.
- Maintain personal and professional development in line with agreed appraisal and development programme in order to enhance personal knowledge and contribution to relevant activities.

Information Governance Responsibilities

Data User

- i. Comply with the associated data protection, information security, information management and information technology regulations, policies, processes and procedures.

Safeguarding and Regulated Activity

If the role involves engaging in regulated activity relevant to vulnerable groups including children and disabled adults, it is an offence to apply for and perform the role, if a person is bared from engaging in regulated activity. Further information is available in BU's Safeguarding Policy and Suitability Statement on the Recruitment and Employment of Ex-offenders.

Additional Information

NB:

The purpose of the job description is to indicate the general level of responsibility and location of the position. The duties may vary from time to time without changing their general character or level of responsibility.

BU is an equal opportunities employer which values a diverse workforce. The post holder must at all times carry out their responsibilities with due regard to the University's Dignity, Diversity and Equality Policy Statement.

Our highly skilled and creative workforce is comprised of individuals drawn from a broad cross section of the globe, and who reflect a variety of backgrounds, talents, perspectives and experiences to build our global learning community. Through academic activity, the post holder must have an understanding of and commitment to promoting a global outlook.

All employees have an obligation to be aware of the University's Sustainability Policy, Climate and Ecological Crisis Action Plan, Travel Plan and associated documents, and to ensure that they carry out their day-to-day activities in an environmentally responsible manner and inspire students to do the same.

April 2026
